

MAXENTI

2023 CABERNET SAUVIGNON
NAPA VALLEY SONOMA COUNTY

STEVE TONELLA, 4TH GENERATION NAPA VALLEY VINTNER

Maxenti Cellars unites tradition and discovery, crafted for those who appreciate both time-honored winemaking and the excitement of new & limited finds. Rooted in the rich, intimate winemaking traditions of fourth-generation vintner Steve Tonella's Italian heritage, Maxenti Cellars is a tribute to craftsmanship, heritage, and the beauty of the vineyard. More than a wine, Maxenti is an experience—meant to be savored, shared, and remembered. Whether enjoyed today or saved for a special occasion, our wines are cultivated to bring people together, one glass at a time.

VINTAGE

The 2023 growing season in Napa Valley and Sonoma County brought a refreshing return to balance and classicism. Following a significantly wet winter and early spring, vines benefited from deep soil moisture heading into bud break, which occurred slightly later than average due to cooler temperatures. These temperate conditions pushed back the growing season, allowing for slow, even ripening — gaining elegance and complexity through the summer months and into harvest. 2023 is being heralded as a high-quality vintage, marked by freshness, balance, and clear site expression.

NOTES

This is a structured and beautifully layered Cabernet showing the best of both Sonoma and Napa influences. Aromas of black cherry, plum, and crushed blueberries meld with notes of sage, mocha and a hint of warm stones. Medium to full-bodied with fine tannins that wrap around a deep, juicy core of dark fruit and fresh herbs. There's tension and precision here, with vibrant acidity carrying the finish long and graceful.

Appellation: 52% Napa Valley, 48% Sonoma County
Composition: 96% Cabernet Sauvignon, 4% Aglianico
Cooperage: 100% French Oak, 50% New
Harvest Dates: October 16th, 28th, & 31st
